MEMORANDUM FOR: Deputy Director for Science & Technology

SUBJECT : EXCOM Approval of KH-4 Stretchout

1. In response to your request, we contacted [redacted] regarding subject decision. He had just begun to look into the matter and at this point shares your concern. He feels it definitely to be a precedent and is quite sure that the approval was made without appropriate inputs from the user community.

25X1A

2. We are supplying him with a copy of the [redacted] cable and will keep you informed of developments.
